more Gets Third. LINCOLN, Neb., May 16.—(Special.)—The state championship of the Nebraska High School Debating League for 1914—the seventh year of the league, was this morning won by Paul Stowell of University Place (east central district).

Second honors were awarded to Michael David Nolan of Alliance (northwestern district). Third honors went to Emerson Winter of Wymore (southeastern district). The judges of the debate, held in University hall and presided over by the president of the league, Prof. M. M. Fogg, professor of rhetoric at the University of Nebraska, were Dean W. G. Hastings of the college of law; Prof. George N. Foster, college of law, and Prof. George A. Stephens, department of political economy. The debate was of a very high order; the contestants almost without exception exhibiting wide information on the question of the regulation against the dissolution of trusts and skill in use of arguments used in clear and direct presentation.

First Win for University Place. It was University Place's first victory in the league. Mr. Stowell was trained by Miss Anna Lane. The school is planning to celebrate the victory Monday morning. Mr. Nolan of Alliance, winner of second place, was trained by the first winner of the league championship, Principal C. A. Anderson, who won the honor in 1908 as representative of Wahoo. Today's was the first victory for Alliance.

Wymore, under the teaching of Principal J. H. Campbell, has won the championship of the southeastern district for the seven successive years, has won first place once, second twice and third twice.

Previous Awards. The awards previous to this year were: 1908—Arthur Anderson, Wahoo; Mark C. Hargrave, Wymore; Isabel Oldham, Kearney; Clayton Burke, Ord. 1909—Clayton S. Radloff, Sidney; Paul Good, Wahoo; Harvey W. Haas, Hebron. 1910—Marie Douglas, Plattsmouth; Van Wheeler, Hastings; Jesse L. Ertel, Geneva. 1911—Victor Coulter, Wymore; Junius G. Oldham, Kearney; William P. Ackerman, Havelock. 1912—Jesse L. Ertel, Geneva; Augustus Helmig, Wymore; Arthur Ackerman, Lincoln. 1913—Robert B. Waring, Geneva; Leonard W. Trester, Lincoln; Cloyd Ellis, Wymore.

The program today follows, each speaker having seven minutes and then four minutes for rebuttal: Question—"Resolved, That the Policy of Regulating Trusts is Preferable to the Policy of Dissolving Them."

Affirmative—Charles DeWitt Foster, Kearney; Western district; Lynn J. Montross, Pierce, Northern district; Harry Trendy, McCook, Southwestern district; Paul Stowell, University Place, East-Central district; James Conk, Broken Bow, West-Central district; Clarence J. Simpson, Superior, Southern district; Lloyd Worley, York, Central district. Negative—Edwin R. Stratton, Atkinson, Northern district; Michael David Nolan, Alliance, Northwestern district; Stanley Stockey, Bellevue, Eastern district; Emerson Winter, Wymore, Southeastern district; Carl B. Dick, Battle Creek, North-Central district.

Big Crowd Attends. Unusually large delegations from distant parts of the state attended the debate. Superintendent E. E. Weyer of Atkinson, brought Atkinson's three debaters, and Superintendent E. O. Blackstone and Principal Gertrude Robinson, brought all four members of Battle Creek's team. For the eighth annual contest (1914-1915) the league schools have voted, according to announcement today by Prof. Fogg, to select the following: "Resolved, That the United States Should Adopt Government Ownership and Operation of Railroads." On this question a selected bibliography will be included in the league's seventh annual "Bulletin," which will be published within two weeks, four copies of which are sent to each member of the league.

JOHNSON DISTRICT COURT DISPOSES OF FOUR CASES

TECUMSEH, Neb., May 16.—(Special.)—George B. Fielding, plaintiff, has won his case against the Burlington Railroad company, in open court here Friday. As the result of runaway on a wagon turning over on him Mr. Fielding suffered permanent injuries. The team was frightened by a Burlington locomotive. He brought suit against the corporation in the district court of Johnson county for \$15,000. On the settlement Mr. Fielding was given \$250.

The jury in the district court gave Mrs. Michael E. Anderson, claimant, against the estate of H. M. Akina a verdict for \$5,000. At a previous trial Mrs. Anderson was given a verdict for \$7,500. She was the housekeeper of the deceased, and cared for him in his declining years. Judge J. B. Raper struck from the

Sage Tea Darkens Hair to Any Shade

Don't stay gray! Here's a simple recipe that anybody can apply with a hair brush.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmothers' time. She used it to keep her hair beautifully dark, glossy and abundant. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50-cent bottle of "Wyn's Sage and Sulphur Hair Remedy" you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair. A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark, glossy, soft and abundant.—Advertisement.

FLANAGAN WILL CARRY OLD COLORS IN PARADE

TECUMSEH, Neb., May 16.—(Special.)—Captain A. D. Flanagan of Tecumseh will go to Harrisburg, Pa., early in June, as the party to carry the colors of the Fifty-fifth Pennsylvania infantry in the civil war. For years the colors have been in keeping with other war relics in a public building at Harrisburg, but now that the new capitol building is completed, it is proposed to take them to that building. Adjutant General Steward of Pennsylvania has named Captain Flanagan as the party to carry his old colors from the old location to the new, and, accordingly, on June 15, when a big demonstration is to be made in honor to the veterans at Harrisburg, the Tecumseh man will carry the identical flag he carried in the civil war. A big military parade will be a feature of the exercises, and members of the Fifty-fifth regiment from all over the country will be in attendance. Mrs. Flanagan will accompany her husband on the trip east.

YORK COUNTY WILL VOTE ON TELEPHONE SYSTEM

YORK, Neb., May 16.—(Special.)—Petitions which have been circulated to call for a special election to be held for the purpose of voting on the question of a county telephone line are meeting with a hearty response. Enthusiastic meetings have been held in Lockridge, Leroy, New York, Waco, Bradshaw, Baker, Beaver and Morton townships. The petitions have been out about thirty days and enough signatures have been secured to call the election. It is also proposed to vote a 2-mill levy to start the work. The Lincoln Telephone and Telegraph company tells the people its business has increased to such an extent that it was necessary to raise the rates, which it did. It is estimated that a county line can be built and operated for one-half the amount charged at this time. Meetings have been arranged in every township in the county for the coming week.

STELLA, Neb., May 16.—(Special.)—The only town in Richardson county that has saloons are Verdon, Dawson and Rulo. These towns are incorporated and the saloons are licensed by the town board. Fargo, a hamlet near the Missouri river in the southeastern part of the county, is a saloon place, but the saloon license there is granted by the county commissioners. It is reported that at Rulo saloonkeepers have agreed with the merchants that eggs will be worth to the farmer 4 cents per dozen more than at Falls City, Hiawatha or Harvey, and the price of any on the egg deal will be divided among the saloonkeepers.

RUSHVILLE, Neb., May 16.—(Special.)—The streets of Rushville were illuminated by electric lights for the first time Thursday night, when the new electric system was tried out and gave perfect satisfaction. The outfit consists of two heavy distillate engines of sixty and thirty-five horse power, respectively. The switchboard is of the four panel type and everything so arranged that the engine can be run separately or together. The dynamo are 35 K. W. and 22 K. W., respectively. Court Dismisses Case

DAVID CITY, Neb., May 16.—(Special.)—The jury case of Carl A. Swanson of Omaha versus Virgo Vanderkolk of Pullerton, Arthur Pester of Lincoln and George J. Sheldon, A. W. Vanderkolk and William Vanderkolk of David City, which has been on trial in the district court of Butler county since Tuesday morning was brought to a close today. The court dismissed the case on the grounds of no cause of action against the resident defendants and not having jurisdiction over the now resident defendants. The case was one wherein defendants were charged with having fraudulently received property from plaintiff for an alleged equity in western Nebraska land.

AMERICANS IN GRAVE PERIL

Apprehension Entertained for Refugees at San Quentin.

GUAYMAS LIKELY TO FALL SOON

Correspondent of London Newspaper Expelled from Mexico on Charge of Being a United States Spy.

WASHINGTON, May 16.—The Brazilian minister at Mexico City, in a report to the State department today, expressed apprehension regarding a number of Americans who have concentrated at San Quentin, and he said he had asked the nearest British consular officer to render such assistance as is possible.

London Correspondent Expelled. VERA CRUZ, May 16.—Oliver Madox Hueffer, correspondent of the London Daily Express, has been expelled from Mexico City, although he was the bearer of a British passport.

Three times he was arrested in the capital on the allegation that he was a "notorious American spy." After his last release he received the order of expulsion and arrived here on a refugee train today. He says no change has taken place in conditions in the capital, so far as is apparent on the surface.

The refugees train brought in twenty Americans and a number of Mexicans. The commission of naval officers which has been engaged in separating the prisoners confined in the fortress of San Juan de Ulloa completed its work today. It released twenty-five federal army recruits, as well as a number of prisoners guilty of minor offenses.

The remaining prisoners who are charged with serious crimes have been held in prison and are employed at hard labor in the dry dock.

The Mexican newspapers today publish a report from Mexican sources stating that the country about Puebla, 100 miles southeast of the capital, is overrun by constitutionalists and that the city is virtually in a state of siege. The papers discredit the report that Provisional President Huerta is preparing to make a last stand at Puebla.

Few Cases of Glanders. Glanders among horses in Scotts Bluff county is not as serious as was reported, according to State Veterinarian Kigin, who returned last night from an investigation of the matter. In fact there is nothing serious in the situation and the state veterinarian is of the opinion that nothing more will be heard of the disease in that section.

He did find, however, that hogs are suffering with cholera and that it may become serious if spread of the plague is not stopped. The farmers in that county are forming themselves into an association in order to work together in the best way.

On his way home Dr. Kigin came by the way of Grant and investigated several deaths of cattle from poison, which he pronounced due to musty forage. However, the cases are scattered. Cattle suffering from forage poisoning generally live from six to forty-eight hours.

General Hall received a letter this morning from John P. Thompson, a ranchman at Ballagh in Hot county, an old schoolmate of the general, offering him the services of one of his best saddle horses on his ranch for Mexican service. He also offered his own services in case war was declared. Mr. Thompson is a nephew of W. H. Thompson, the Grand Island democratic statesman.
